Dear Supporting Friends,

January and February of 2012

A Special "Thank You"

As we enter into the New Year, please allow us to thank everyone who has prayed for and supported this ministry. We realize that many are facing struggles in the United States. Although we have seen a decrease in monetary support, it still remains strong, and we appreciate all of the sacrifices that our support brings. Thank you!

Moving On

This year started a little sadly as we watched some of our people walk away from church, yet we also saw faithful ones step up and help! Recently one of our young ladies filled in and ran Junior Church, and many are working in the kitchen, sweeping and packing up! Others are soul winning and distributing thousands of tracts, leaflets, and John and Romans into our community.

Running Two Buses

We love the Bus Ministry! Many people in England do not own cars, yet they make a living. Last year I started to rent a 17-seat minibus to pick up people for church. At present we only pick up adults and families. This year one of our men also volunteered to drive a bus, so now we are loading up two minibuses on Sundays! Last Sunday our church was in the 40s, but soon we should see it running in the 50s and above! Also, we have seen more people driving in to church.

What a Blessing!

Visitors are coming! **So far for 2012, we have had 25 first-time visitors in church! We have had 17 souls saved this year, and soon the baptistery waters will be moving!**

My mother just arrived from the States, and it is great to see her in good health. The boys are growing and helping us in church. Daniel does the order of service for us on Sundays, and Joshua and Jeremy help with the offerings and set up. It's a joy to have a family team working together for the furtherance of the Gospel. Thanks again for your prayer and financial help as our faithful home team!

Yours for souls,
