Dear Friends,

Jose Frondis was crying in the services. I wondered if the Lord had touched his heart from the message. He was a new convert, loved coming to church, never missed a service. I was wrong. His tears were from pain due to terminal cancer. What a testimony coming to church in such terrific pain. Recently, Jose went home to be with the Lord.

Please pray for us as we plan to come back to the States for furlough in May of 2012. Our son, David, is due to graduate from Hyles-Anderson College in May, and we would like to be there for his graduation. David is planning to come back to Argentina as a missionary. We covet your prayers for God's direction in his life. It's been a long time since we have reported to many of our churches. We would love to come back and visit you during this time. The Lord willing, we will be in the States at least until August and maybe longer.

November is always a busy month. We are about to celebrate the 24<sup>th</sup> anniversary of the first church we started here in Argentina. The church continues to win many people to Christ. They recently had 69 first time visitors and another Sunday there were 40. Many were saved. We also have our Annual Conference on soulwinning and revival. Many people visit us from different areas and countries. Please pray that it will be a great blessing to those who attend.

The Bible college and the school year ends on December 2. I believe 5 persons are on the list to graduate this year. Two of our graduates are starting churches. Alberto Quintanna is starting a church in Tucuman. It will be our 6<sup>th</sup> church here in town. Fabricio Diaz recently married and moved to La Rioja. Using his new bicycle for transportation, he is planning to start the first Independent Baptist church in that state.

God bless you, and I want to thank you for your prayers and for your support.

Sincerely in Christ,

Larry, Ruth, Joshua and Caleb Owens
