MARCH 2012

Dear Friends,

We have finally gotten home for a few days after a month of constant travel. The meetings have been good, and we have enjoyed the fellowship of God's family across the country, and Lyn was privileged to teach 3 sessions in a Ladies Retreat at East River Baptist Church, New Caney, TX.

God has given us opportunity to present our ministry in several new churches as we try to make up for support that was lost during these financially hard times around the USA.

In Papua New Guinea it has rained almost constantly since last October, causing flooding and landslides along the roads. It is also election year and the campaigning is going hot and heavy. Unlike the USA which has only two major political parties, PNG has 47 registered parties and 2 unregistered. This causes much confusion and division at election time.

Lyn and I are well and looking forward to a day or two with the grandchildren before we get back on the road again. We appreciate all you do for us, and thank you for making this ministry possible.

Ted & Lyn

Mark 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature. ★ ★ ★
